

# Risk capital capita illness

Limit your financial risk in the event of disability or death due to illness.

# capita illness

## Limit risk.

---

Our risk capital insurance offers you financial support when life is uncertain.

**capita illness covers insurance gaps in the event of death and invalidity through illness.**

- Supplements negligible pensions and compensates for lacking income with salaried employees and self-employed earners
- Security and financial independence for children, juveniles in training, housewives/house husbands and students
- High capital payment to the insured person in the event of invalidity
- Sum payable at death for the surviving dependants
- Reasonable premiums

**capita illness diminishes the economic consequences of invalidity or death.**

- Livelihood-securing capital benefit
- Enables optimal medical care
- Ensures further financing for the education of the children
- Enables renovation measures
